**Disclaimer:**

Techniseal's Certified Applicator Program (CAP) is intended to communicate guidelines to paver installers and sealers on planning and executing residential and commercial clean and seal projects.

Techniseal hereby disclaims any and all liability for any claims, actions, causes of action, damages or losses to persons or property, including direct, indirect, incidental, consequential or punitive damages, liabilities, judgments, attorneys fees and costs, directly or indirectly arising out of or related to the use of services of a Techniseal Certified Applicator, the performance or nonperformance of work or services by a Techniseal Certified Applicator, the quality or performance of materials used in connection with the work, or the outcome of any interlocking concrete pavement jobs or projects. Techniseal further disclaims any and all warranties of any kind, either express or implied, including but not limited to implied warranties of merchantability or fitness for a particular purpose with respect to the quality or fitness of the qualifications, abilities or quality of work performed by the selected Techniseal Certified Applicator.
